

PRIP'2014

XII International Conference

Minsk, Belarus, May 20-22 2014

CALL FOR PAPERS

PRIP'2014: Twelfth International Conference on Pattern Recognition and Information Processing

May 28-30, 2014, Minsk, Belarus

The conference will provide a forum for scientists and engineers to exchange up-to-date scientific knowledge and practical experience in the field of image analysis, pattern recognition and information processing as well as identify the ways of further developments in these areas.

ORGANIZED BY

United Institute of Informatics Problems of the National Academy of Sciences of Belarus

<http://uiip.bas-net.by/eng/>

IN COOPERATION WITH

- Belarusian State University (Belarus)
- Belarusian State University of Informatics and Radioelectronics (Belarus)
- Belarusian Association for Image Analysis and Recognition (IAPR national member)
- EPAM Systems

<http://www.epam.com/>

Chairman of the Conference:

Prof. A.V. Tuzikov

Vice-Chairmen of the Conference:

Prof. S.V. Ablameyko

PROGRAM COMMITTEE

Dr. V. Kovalev - Chairman

Local

ORGANIZING COMMITTEE

V. Arkhipov

The topics of the Conference include, but are not limited to:

Pattern Recognition

Image Analysis

Signal Processing

Systems and Parallel Architectures for Signal and Image Processing

Knowledge - Based Expert and Decision Support Systems

Application of Pattern Recognition and Image Analysis

3D Image Processing and Modeling

Big Data: theory and applications

Data Mining

LANGUAGE

Working languages of the Conference: English.

SUBMISSION OF PAPERS

Papers for the Conference should be submitted in English in a camera-ready format via the electronic submission system. The length of the submitted papers is restricted to 5 A4 pages. The formal requirements for the paper submission will be available at the Conference web site (<http://prip2014.bas-net.by>).

CONFERENCE FORMAT

The Conference includes the following activities:

- (1) Oral presentations (single track, up to 15 min including Q&As).
- (2) Poster sessions (poster size is limited by A0, no design restrictions). For every poster a one-page teaser should be prepared in PowerPoint or PDF format to be demonstrated during 1 minute by author(s) before the poster session start.
- (3) Software demonstration sessions (Only original software is allowed to be demonstrated. No software products developed by third-party companies for advertising purposes.) For every application a one-page teaser should be prepared in PowerPoint or PDF format to be demonstrated during 1 minute by author(s) before the poster session start.

Variants (1) only, (2) only, (3) only, (1) and (3), (2) and (3) are possible.

DEADLINES

Paper submission deadline: February 15, 2014 (~~January 27, 2014~~)

Acceptance notification: March 28, 2014

DATES & LOCATION

PRIP`2014 will be held in Minsk (Belarus) at the United Institute of Informatics Problems of the National Academy of Sciences of Belarus on May 28-30, 2014.

WELCOME TO MINSK

Minsk is the capital of the Republic of Belarus. It is located in a picturesque place on the river Svisloch, which was in ancient times one of the busiest trade-routes connecting the Baltic and the Black seas. Minsk is the city where one can find the best pieces of Belarusian cultural heritage: museums and exhibitions, theatres, world famous Belarusian ballet, folklore dancing ensembles and choirs. Numerous scientific centers and leading institutions of higher education, situated in Minsk, are well-known abroad for their fundamental and applied researches. Minsk is a cross-road of the most popular European tours. It is connected by motorways, railways and airlines with all the European capitals and also with the main cities of the world.

ADDRESS

PRIP`2014
United Institute of Informatics Problems
National Academy of Sciences of Belarus
Surganova str., 6
220012 Minsk, Belarus
