## Camera-Ready, We're All Steady!

We're happy to announce that another a truly important milestone (Camera-ready submission) in the conference preparation has been successfully completed!

**A friendly reminder:** the PRIP 2025 Editorial Team does not perform deep proofreading. We focus on the scientific value of your work — it's what shapes the high standard of our conference. Thanks to your professionalism, PRIP is once again set to reaffirm its status as a benchmark scientific event on the international stage.

**Important:** All conference proceedings will be published under [the Creative Commons Attribution 4.0 International License \(CC BY 4.0\)](#). This means your papers will be printed "as-is", without editorial changes, and will be freely accessible for distribution and citation – with proper attribution – significantly boosting their visibility and academic reach.

## Waiting for You with Glee – Just Pay the Fee!

Please carefully review the instructions we've prepared for your convenience in both [Russian](#) and [English](#).

We kindly ask all participants to respect the deadlines and follow the rules outlined below. This is essential to ensure smooth organization of a high-level scientific event.

Best regards,  
PRIP2025 Team
